Sean Murphy

### **Coastal Construction names co-presidents**

Coastal Construction Group has named **Tom C. Murphy** and **Sean Murphy** co-presidents.

Tom C. Murphy Jr. joined the company at age 14, climbing the ladder from a non-skilled laborer to a carpenter, foreman, estimator, project manager and chief estimator. He holds a bachelor's in building construction from the University of Florida and an MBA from the University of Miami.

Sean Murphy joined the company at age 16 as a laborer and has worked his way up as a superintendent, project manager and project executive. He holds a bachelor's in building construction from the University of Florida.
