Coastal Construction appoints VP

Coastal Construction Group has appointed **Jason Anderson** vice president of Coastal Homes, the company's custom home division. He had been project manager for the division.

He began his career with Coastal in 2003 as an estimator and later was an assistant project manager and project manager for two high-rise towers in Miami and multiple Miami-Dade County public school buildings. He joined the homes division in 2008 as project manager.

He holds a bachelor's in economics and a minor in architecture from the University of Washington.
